DETAILED ACTION

The following is an examiner's statement of reasons for allowance: The examiner agrees with the arguments submitted with the amendment of March 11, 2004. In particular the moving inner shaft (11, 15) of Hamajuma is solid and thus there is no space to provide for an inner core. Thus, the 103 combination of Hamajuma and Tourtellotte in a manner that reads on the claims is not proper, and is withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David W. Scheuermann whose telephone number is (571) 272-2035. The examiner can normally be reached on Monday through Friday from 8:00 am to 4:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Darren Schuberg can be reached at (571) 272-2044. The fax phone numbers for the organization where this application or proceeding is assigned is (703) 872-9306.

Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
